BIRTHDAYS & EVENTS

We've been working on a service to provide you with the smoothest, most imaginative children's parties around! Choose from the classic soft-play option, or one of our themed packages – it's guaranteed to put a smile on everyone's face (parents included!)

The whole ground floor of N Stoke Newington is available to hire for birthday parties & family-friendly events every Saturday & Sunday afternoon, and Sunday mornings.

We work with handpicked partners on our themed party packages, and offer a menu of fresh & delicious meals for all the family.

You are welcome to bring your own entertainment, or we can set up our soft play & huge ball pit!

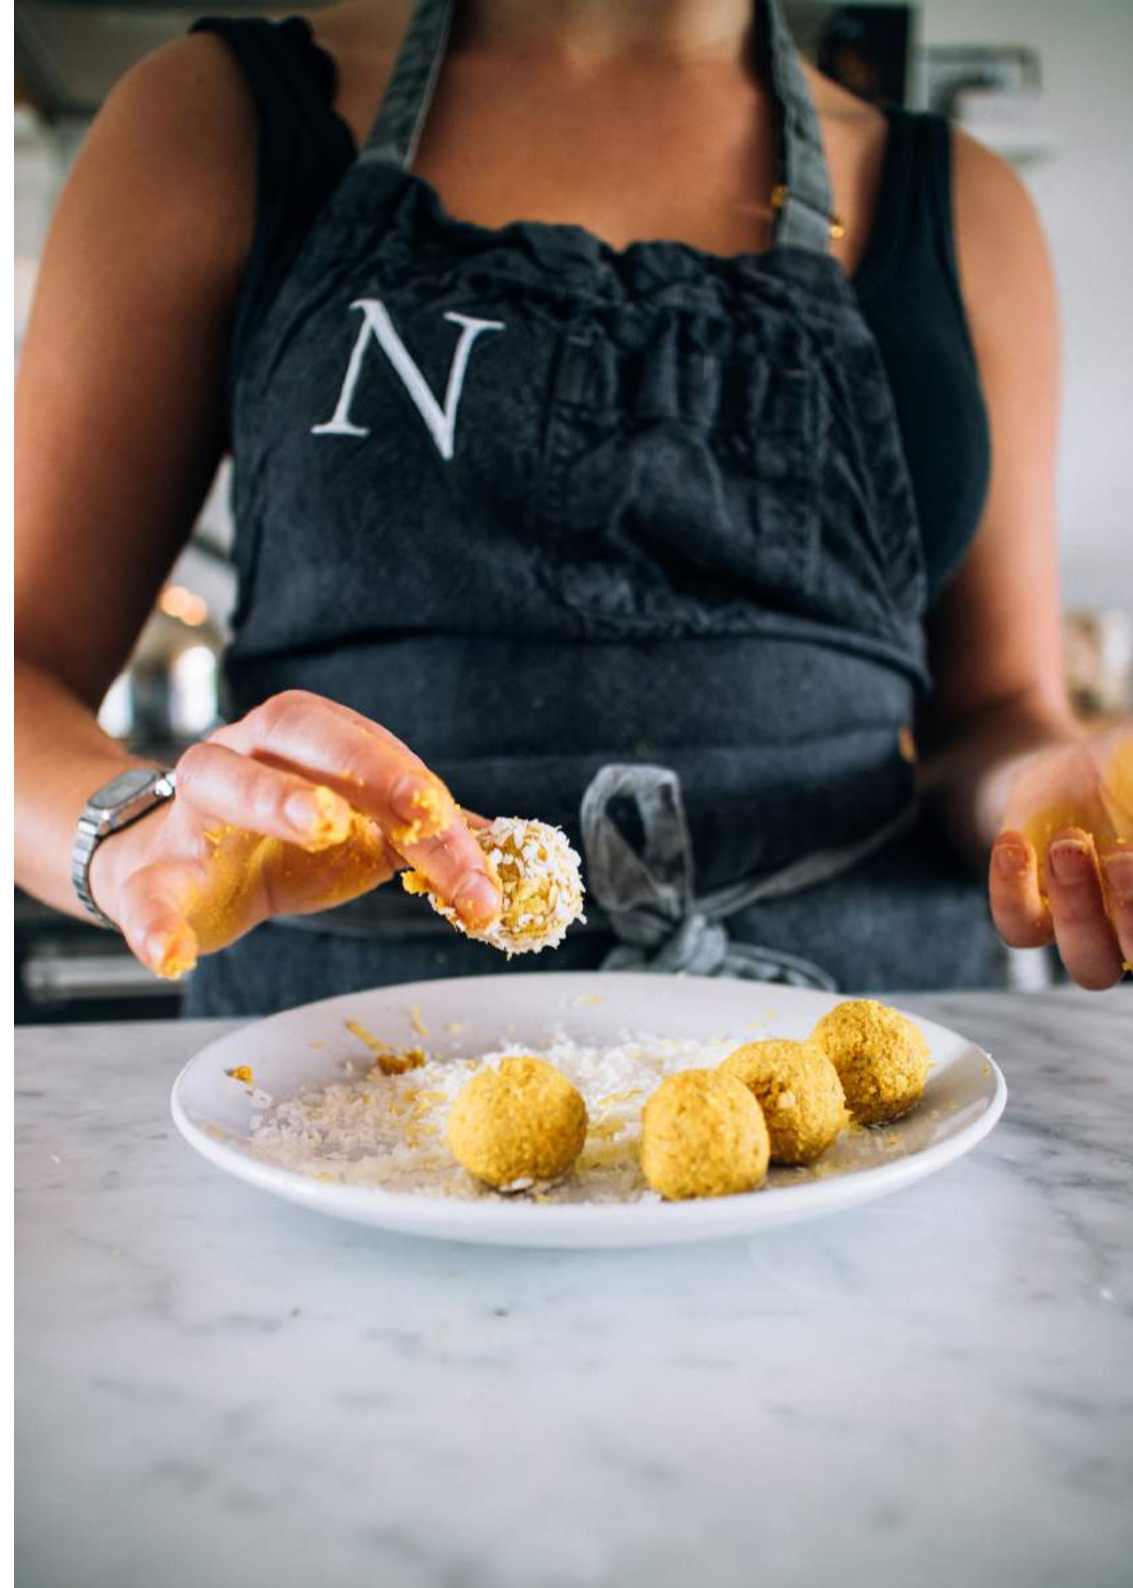

# Food

Our chefs Flo & Jorge prepare all our party feasts fresh in the N kitchen, using only the finest and most sustainable ingredients.

They're the bee's knees when it comes to kids' meals, and have designed a party menu full of our tried-and-tested snacks, bakes & sandwiches from the N nursery menu. We avoid salt & only use natural sugars when serving our younger customers [unless mum or dad requests otherwise!]

For our big customers we provide an assortment of sandwiches, freshly made on foccacia bread from our friends at Dalston's Dusty Knuckle Bakery. For those who avoid wheat – or anything else for that matter! – we're happy to accommodate all dietary requirements.

# Decoration

Here at N, we take being green seriously and as part of our commitment to the environment – and providing the best example for our children – we try to minimise waste where possible.

No need to worry, though – our bespoke, reusable and themed decorations are sure to brighten up any party, and our pinatas are a big hit with kids of all ages! We've banished single-use plates and cups, sourcing our bamboo plates and cutlery from N favourite Zupersozial.

You're more than welcome to bring balloons, party bags & personal decorations with you – though we do ask that you take these home with you at the end!
